

NM EDGE Certified Public Purchasing Professional

New Mexico EDGE is proud to offer the NM Certified Public Purchasing Professional certification. The purpose of this certification is to provide a comprehensive course of study in public service for New Mexico purchasing professionals and other public officials as well as create networking opportunities.

Fourteen core competency classes were developed by public service experts throughout the state of New Mexico, and eleven additional classes (developed using curriculum guidelines established by the National Certified Public Manager® Consortium) round out the **25-class certification**.

Classes are delivered throughout the year in both in-person and live online formats.

The cost of each three-hour class is \$85.00

Please contact us for more information regarding this certification and others offered through NM EDGE.
