

NM EDGE Certified Professional Risk Manager

New Mexico EDGE is proud to offer the NM EDGE Certified Professional Risk Manager certification. The purpose of this certification is to provide a comprehensive course of study in public service for New Mexico risk managers and other public officials as well as create networking opportunities. Twelve core competency classes were developed by public service experts throughout the state of New Mexico. Eleven additional classes (developed using curriculum guidelines established by the National Certified Public Manager® Consortium) round out the **23 - class certification**.

Classes are delivered throughout the year in both in-person and live online formats.

The cost of each three-hour class is \$75.00

Please contact us for more information regarding this certification and others offered through NM EDGE.
